## Hunt Global Resources, Inc. Engages Lazard Frères & Co. LLC As Investment Banker & Financial Advisor

HOUSTON--(BUSINESS WIRE)--Hunt Global Resources Inc. (OTCBB: HGCO.ob) announced that it has engaged Lazard to advise it regarding its North American operations.

Lazard will advise Hunt Global on its plans to build up to ten Carbon Green tire recycling plants in North America and on the acquisition of additional frac-sand deposits. Lazard will also advise Hunt Global on the financing for these projects.

"We're pleased to engage Lazard as our advisor," said George T. Sharp CEO of Hunt Global. "The addition of Lazard's financial and strategic advisory professionals will be beneficial as Hunt Global expands its presence in the frac-sand market and builds out our patented tire recycling technology."

### About Hunt Global Resources, Inc.

Hunt Global Resources, Inc. (OTCBB: HGCO) is a natural resource company focusing on specialty sands called "frac" sand, which is an essential component in the production of oil and gas. The Company's current holdings include the mining rights to 350 acres in Conroe, Texas, containing high-grade sand deposits. The site contains approximately 21 million tons, of high value frac-sand. Additionally, the Company's holdings include a state-of-the-art 40 million gallon industrial Biofuels manufacturing plant located near the Houston ship channel. The Company plans to utilize the plant's excess resources and capacity to support a frac-sand resin coating operation which will boost the value of its frac sand holdings. Additionally, Hunt has recently acquired Carbon Green NA, which is the only patented tire recycling process that recycles 100% of the components of scrap tires with a zero carbon footprint. Hunt has license agreements to distribute the technology in Europe, China and South America. Hunt plans to build up to 10 plants in North America.
